

THE ULTIMATE BIRTHDAY EVENT PLANNER

The
Adventure Park
AT VIRGINIA AQUARIUM

AN EPIC DAY OF ADVENTURE

If there's a better way to celebrate a birthday for kids—and even adults who refuse to grow up—we haven't found it yet.

There are three reasons why a day in the trees makes for one of the most exciting, memorable birthday experiences to be had:

1

Get outdoors and get unplugged! Bring friends and family out for a true adventure. **#Opt4Adventure**

2

Everyone will carry that rush they feel as they zip and climb through the trees for the rest of their lives. **#ConquerNewHeights**

3

We dare anyone you invite to this party to make it through one of these courses and not feel that huge sense of accomplishment. **#TacklingTrails**

And the bonus: you get bragging rights for having planned such an amazing day! So let's get started!
