Planning Checklist

Reserve your date.

Pick your date and time, then contact us to make a reservation. You can also book online for parties of 6-15 guest. Remember to make your reservation at least 2 weeks in advance to secure your desired date and time. Select your add-ons at this time as well.

Invite your guests.

Send out your invitations and let everyone know what to expect. Sending electronic invitations? Check out our custom Evite images at <https://bit.ly/evite-images>. Or you can use our fun printable invites on the next page.

Remind everyone dress for the weather and wear closed-toe shoes. Guests can plan for approximately 3 hours total time at the Park. **All guests will also need to complete a waiver, so be sure to share your custom waiver link (in your Order Receipt) so guests may complete their waivers online ahead of time.**

Plan your food and decor.

Bring your own cake or contact us for recommendations on food delivery or catering. You can also bring your own party supplies to decorate on the big day! **Note that we are a balloon-free zone.**

Set up and climb!

When you get to the Park, check in with our Host, who will provide unloading directions, show you to your reserved party space and make sure that all guests are ready to climb.
