

Park Fundraisers

A fundraising event at The Adventure Park is a unique way to raise money for your non-profit organization!

How it Works:

1. Pick a date and time for your event
2. Receive a promotion code to share with your community
3. Promote the event to your community with our flyer, email and social media tools

To give your guests an incentive to use your promotion code, we'll give them a discount off their tickets. We'll track the sales to that promotion code and donate a portion of those sales back to your organization.

Whether you are a school, a church, a sports team or a Girl or Boy Scout troop, we'd love to support your fundraising efforts!

All non-profits are eligible, and a 501c3 or W9 is required to apply.

Put the “fun” in fundraiser with an adventure experience in the trees!
